Watercolor Artist Teacher Opportunity

Kainalu Elementary School is looking for a watercolor artist to teach three classes of fourth graders for one full school day per class. There are 22 students in each class and they will pay \$9.00 per student--approximately \$188 per day. The artist/teacher would do a presentation to teach technique, then help each student to complete a project during the day. The schedule is flexible, some time in the spring, possibly March. The three days should be in the same week. If you are interested in this opportunity, please call Don Johnson at 235-5545 or e-mail at dkrajkahiko@hawaii.rr.com before December 1. We need to notify the Kainalu teachers by that time if we have any interested artists.
